

The best way to fish for large Mouth Bass

By Colin

What is a large mouth bass. That's a good question if you read this feather article you will find out.

GETTING STARTED

The first thing to do when you are getting started, is gathering your gear. Here's what you will need, fishing rods, line, hooks, jigs, bait, lures and a boat, and most of all you need a fishing license.

First the fishing rod the best kind of fishing rod is the Ugly stick why because if you were catching some big bass it can bend a whole 360 degrees. Next the line the best kind of line is Eagle line. Next hooks Eagle hooks. Next a boat the best kind of boat is probably a ranger393v and the best motor would be a mercury engine.

WHERE TO FIND THE IN LAKES STREAMS RIVERS AND PONDS

Now where to fish for large

mouth bass but before we get to that the special name for a large mouth bass is Pugnacious bass (PUG-Nac-cious -Bass).

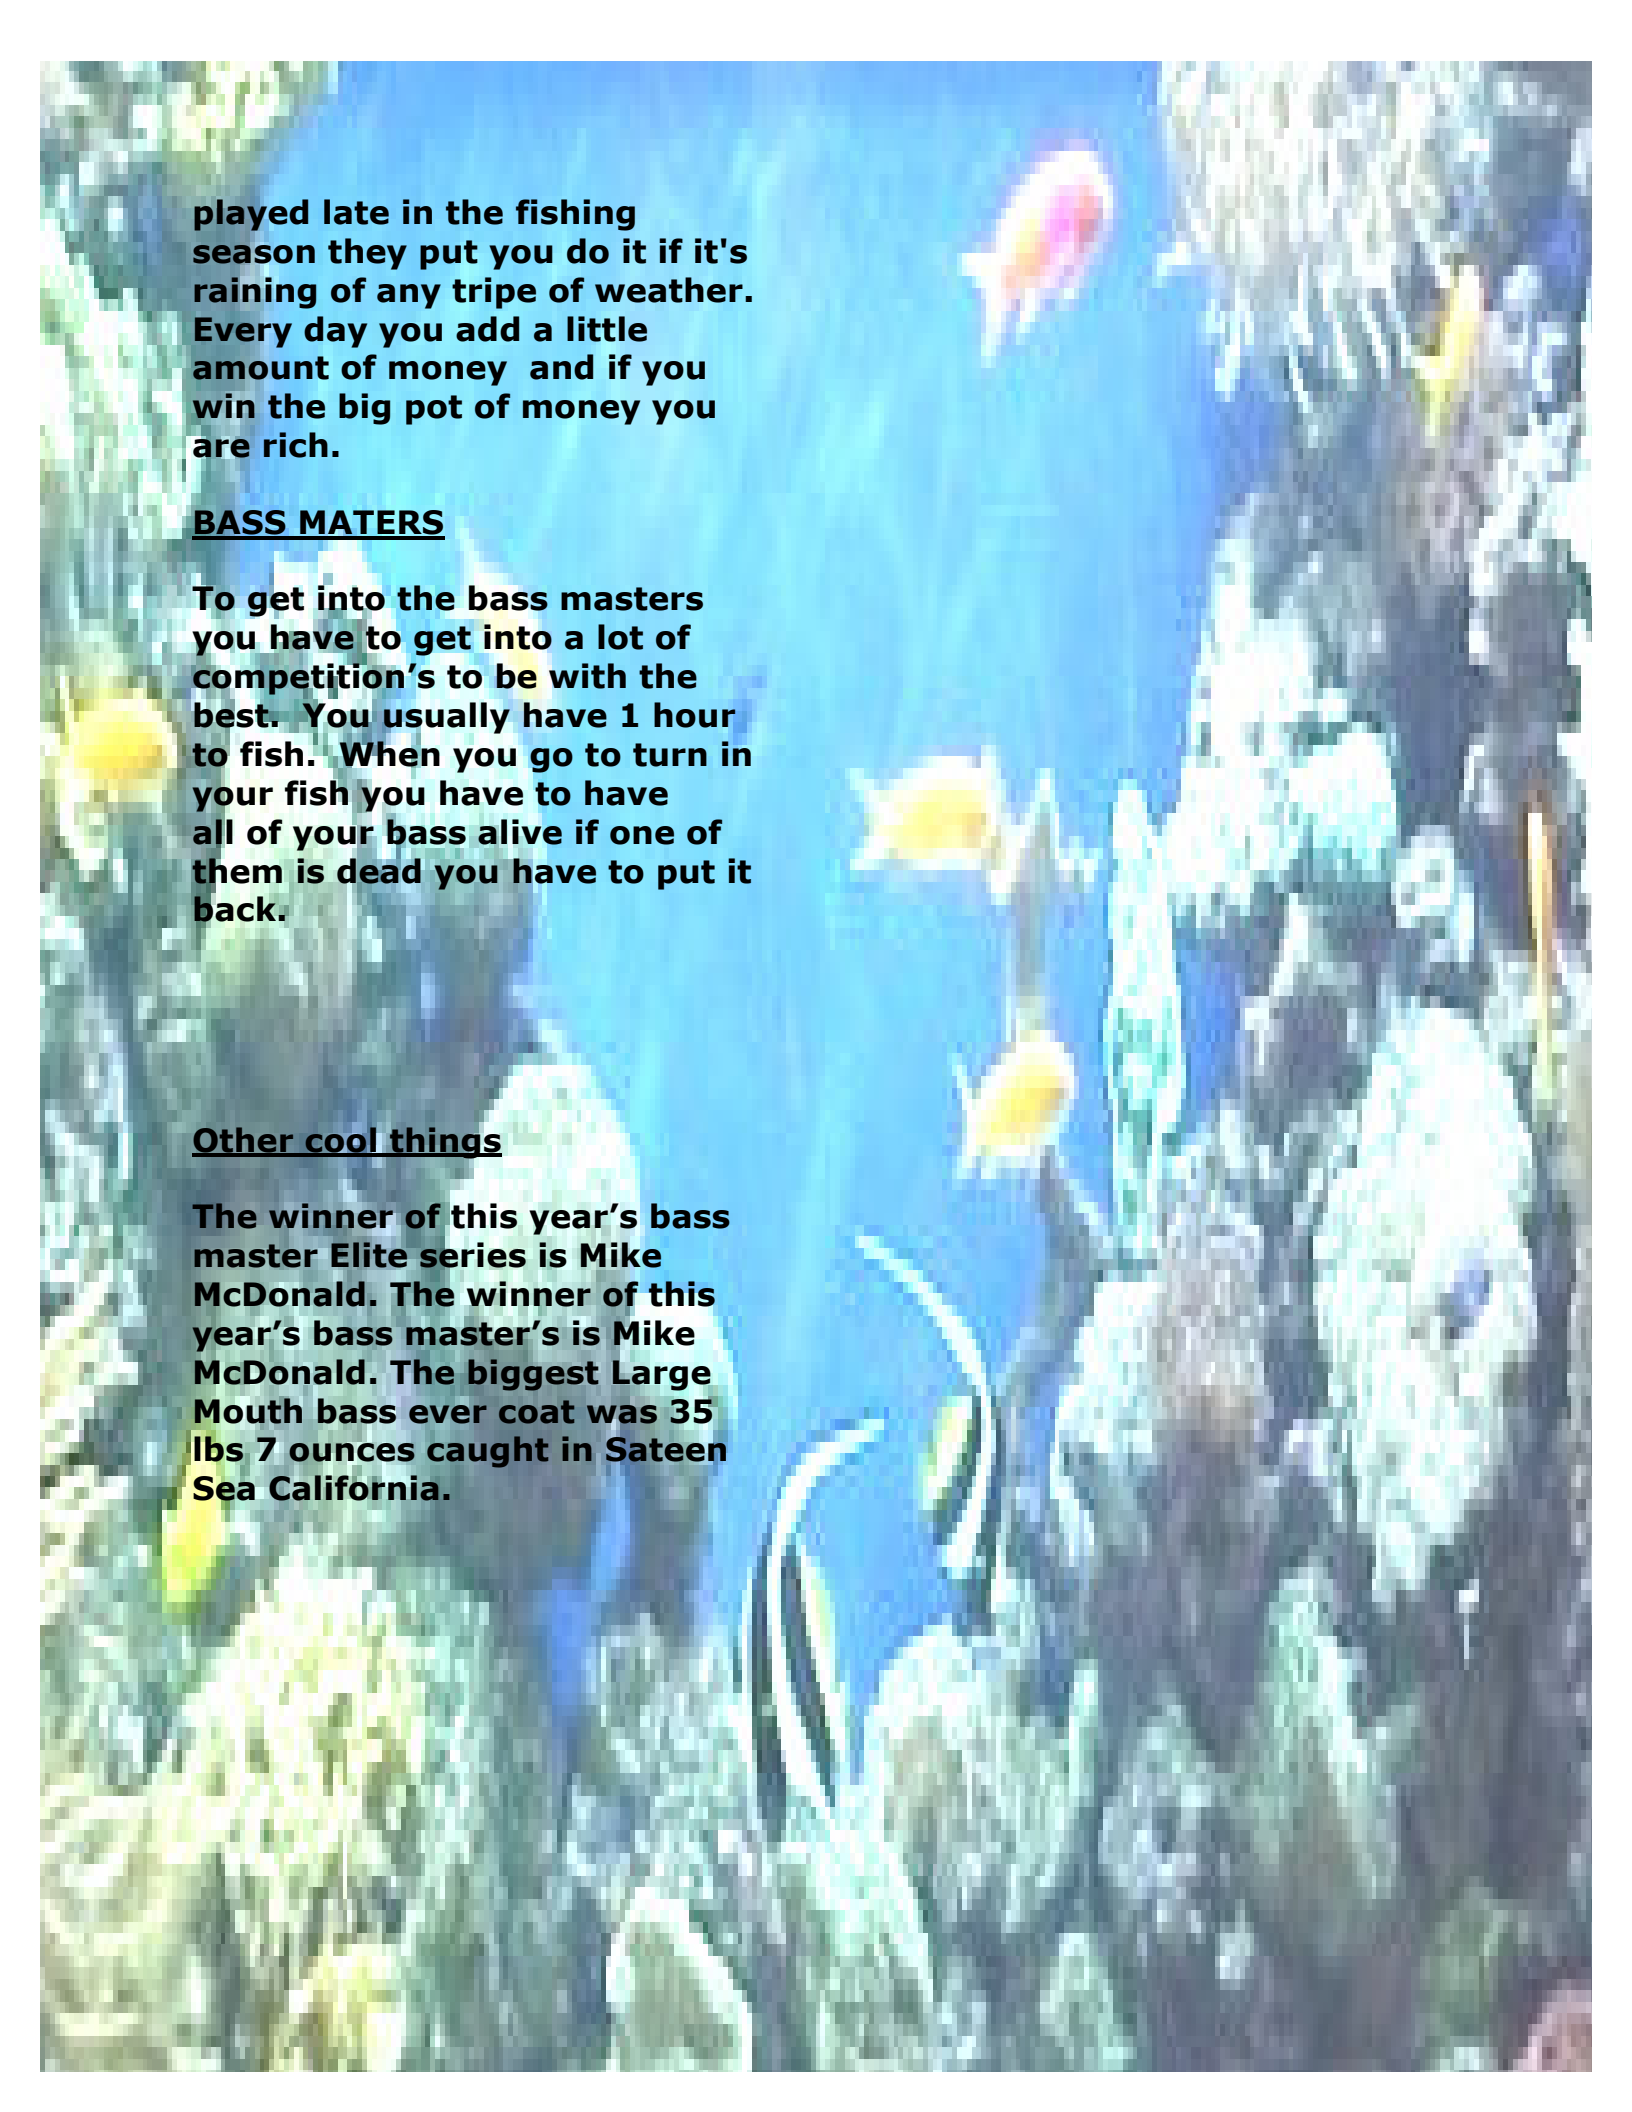

So now that we now where the large mouth bass likes to hang in lakes what about streams Well large mouth bass in streams aren't very common in streams but some times you will find some swimming around but if are lucky they will be in where the stream is very com that's where you will find them. Now In rivers they well in rivers they would be in by the end were there is a pool of water that is they would mostly be. And ponds" in ponds they would be in a big ponds and be where there are lots of Lilly pads.

BASS MASTERS & THE BASS MASTER ELITE SERIES

BASS MASTER ELITE SERIES

First if you want to get into any of these competitions you have to beat the best to be the best. The bass master Elite series is three or four stages. It is

played late in the fishing season they put you do it if it's raining of any tripe of weather. Every day you add a little amount of money and if you win the big pot of money you are rich.

BASS MATERS

To get into the bass masters you have to get into a lot of competition's to be with the best. You usually have 1 hour to fish. When you go to turn in your fish you have to have all of your bass alive if one of them is dead you have to put it back.
